

Outcome of consultation: Podiatrist Prescriber Scope of Practice

Thank you to those individuals and organisations who took the time to read and respond to the consultation document issued on 15 September 2025 which outlined the Boards proposals for the podiatrist prescriber scope of practice.

The consultation sought feedback on the following:

- | |
|--|
| ➤ Scope of practice description |
| ➤ Education and training |
| ➤ Registration requirements (including initial supervision requirements) |
| ➤ Registration and Annual Practising Certificate (APC) fees |
| ➤ Competency Framework - Principles and Standards for Podiatrist Prescribers |
| ➤ Continuing Professional Development (CPD) recertification requirements |

Consultation Process - The consultation was sent to all registered podiatrists (practicing and inactive) and to 62 key stakeholders. The Board received eleven submissions in total (Six from podiatrists and five from key organisational stakeholders). All submissions were reviewed by the Board at its 13-14 November 2025 meeting and will be used to inform the planning and implementation of designated prescribing for podiatrists.

The consultation feedback can be read in full [here](#).

If you have any questions about this consultation summary, please don't hesitate to contact us.
