

Outcome of Consultation: Accreditation Standards - for Aotearoa New Zealand training providers of podiatry prescribing qualifications

Thank you to those individuals and organisations who took the time to read and respond to the consultation document issued on 27 February 2026, which presented the Boards proposed Accreditation Standards for Aotearoa New Zealand training providers of podiatry prescribing qualifications.

Consultation Process - The consultation was sent to all registered podiatrists (practicing and inactive) and to 61 key stakeholders. The Board received three submissions in total from (one podiatrist and two from key organisational stakeholders). All submissions will be considered by the Board to inform the final Accreditation Standards.

The consultation feedback can be read in full [here](#).

If you have any questions about this consultation summary, please don't hesitate to contact us.
